

1. Personal and Contact Information:

First and Last Name: Ali Amiri

Academic Rank: Assistant professor, pulmonologist (subspecialist)

Personal Email: ali_pul_amiri@yahoo.com

Mobile Number: 09122273368

2. Education:

Subspecialty:

Subspecialty in pulmonology, Masih Daneshvari Hospital, Shahid Beheshti University of Medical Sciences, 2006.

Specialty:

Specialty in internal medicine, Shahid Beheshti University of Medical Sciences, 2003.

MD:

Tehran University of Medical Sciences, 1993.

3. Academic Membership:

- A member of the Committee of Mortality and Infection Control of Shahid Rahimi Hospital
- Preparing the facilities of respiratory tests, including spirometry and methacholine test, at the hospital
- Head of the Department of Internal Medicine at Shahid Rahimi Hospital
- A member of the Committee of Medications and Treatment at Shohadaye Ashayer Hospital (appointed in 08/02/2009)

- A fixed member of the Mortality Committee at Shahid Rahimi Hospital (appointed in 03/09/2008)
- A member of the Tuberculosis Committee of Khorramabad (appointed in 10/07/2007)
- The representative of LUMS for cooperating with National Research Institute of Tuberculosis and Lung Diseases of Shahid Beheshti University of Medical Sciences (appointed in 07/10/2007)
- A member of the Research Council of Shahid Rahimi Hospital
- Serving as the thesis supervisor for several theses of MD and specialty programs
- Serving as the advisor and examiner supervisor for several theses of MD and specialty programs
- Participating in two sessions of the meetings of the Research Council of Shohadaye Ashayer Hospital for 6 hours from 07/05/2009 to 06/22/2010
- Participating in the sessions of the Research Council of Shahid Rahimi Hospital for 81 hours from 06/22/2017 to 06/22/2018

4. Scientific Position:

- Assistant professor at the Department of Internal Medicine, Lorestan University of Medical Sciences
- Head of the Department of Internal Medicine at Shahid Rahimi Hospital

5. Clinical Experience:

- Constant and active participation in morning reports and clinical rounds
- Holding various conferences and workshops for interns and faculty members

6. Teaching Experience:

- Teaching ICM courses for medical students
- Teaching the courses of pulmonary physiopathology
- Delivering lectures at refreshing workshops on the lungs and tuberculosis

7. Research Projects:

The Study of the Impact of Using Respiratory Rehabilitation techniques on the Breathing of Patients Suffering from COPD in 09/20/2009 (executor of the project)

8. Supervisor & Advisor:

- Determination of the Impact of Risk Factors in Patients with Chronic Obstructive Pulmonary Disease (COPD) on Pulmonary Artery pressure (PAP) (supervisor-10/13/2012)
- Investigation of the Effect of Haze on the Breathing of Patients Referring to the Office and Sub-Specialty Pulmonary Clinic of Khorramabad in the Summer of 2013 (supervisor)
- The Quantitative Analysis of the Two Tumor Markers of CEA and Cytokeratin 19 in Patients Suffering from Lung Cancer and Benign Diseases of the Lungs (pneumonia and COPD) in Shohadaye Ashayer and Shahid Rahimi Hospitals, Khorramabad for Two Years (2016-2017) (supervisor-05/06/2017)
- The Study of the Relationship between Childbirth Type and Infant Nutrition and Asthma in 4-11 Year Old Children Referring to the Specialty Pulmonary Clinic of Khorramabad (supervisor-12/24/2016)
- Investigation of the Prevalence of Pleural Effusion Causes in Patients Hospitalized in Shohadaye Ashayer Hospital from 2012 to 2015 (supervisor-01/16/2018)
- The Study of the Relationship between the Common Polymorphisms in the p2x7 Gene and Pulmonary Tuberculosis among the People of Lorestan from 2016 to 2017 (supervisor-05/06/2017)
- The Study of the Relationship between the Common Polymorphisms in the MBL Gene and Pulmonary Tuberculosis among the People of Lorestan (supervisor-12/24/2016)
- An Exploration into the Alterations of Lung CT Scan in People with Active TB Disease in Shahid Rahimi Hospital (supervisor-02/04/2018)
- Investigation of the Prevalence of Pulmonary Hypertension in People with COPD Referring to the Pulmonary Clinic and the Comparison of Its Intensity with FEVI Value in Lorestan (supervisor-07/01/2018)
- Determination of the Impact of Risk Factors in Patients Suffering from Chronic Obstructive Pulmonary Disease (COPD) on Pulmonary Artery pressure (PAP) (supervisor)

- The Study of the Prevalence of Ventilator-Associated Pneumonia in Patients Hospitalized in the ICU of Shohadaye Ashayer Hospital, Khorramabad, in the Spring and Summer of 2017 (supervisor)
- Investigation of the Mental Health of Pregnant Women Referring to Health Centers of Khorramabad in 2011 (examiner-12/11/2011)
- Determination of the Knowledge of General Practitioners in Khorramabad Concerning Hepatitis E in the Academic Year 2011-2012 (examiner-05/20/2013)
- The Study of the Prevalence of Depression among Patients with Type 2 Diabetes Hospitalized in Shahid Rahimi Hospital, Khorramabad (examiner-02/08/2016)
- A Comparison of the Effects of Pioglitazone and Sitagliptin on the Reduction of Blood Glucose Level in Patients with Uncontrolled Type 2 Diabetes (the patients underwent treatment by Sulphonylurea and Metformin (examiner-05/8/2017)
- Investigation of the Level of Vitamin D in Mothers Referring to Asalian Hospital for Natural Childbirth and Its Relationship with the Level of Vitamin D in Neonates (examiner-04/08/2018)
- The Study of the Common Polymorphism of the NRAMP1 Gene IN Patients with Pulmonary Tuberculosis among the People of Lorestan (examiner-05/16/2018)
- The Study of Impact of Confrontation with Second-Hand Smoke on the Level of Interleukin 18 in Non-Smokers (examiner)
- Investigation of the Epidemiology of Poisoning in Patients Referring to the ICU of Shohadaye Ashayer and Tamin Ejtemaei Hospitals, Khorramabad, from October 2015 to October 2016 (examiner)

Amiri A, Jaferian S. *Common Diseases of the Respiratory System*. Khorramabad: Shapourkhast, 2016. (In Persian)

11. Workshops (Teaching, Presence):

- Participation in the Workshop of Continuous Medical Education (125 scores) in 11/12/2011
- Participation in the Workshop of Continuous Medical Education (40 scores) in 08/09/2006
- Participation in the implementation of the educational curriculum of internal medicine residency in 06/17/2012
- Participation in the sessions of the Committee of Mortality, Infection Control and Qualitative Management for 50 hours in 06/17/2010
- Participation in the sessions of the Mortality Committee from 07/21/2014 to 07/22/2015 for 50 hours
- Teaching in the Workshop of Pulmonary Diseases Self-Care for the staff and patients in Shahid Rahimi Hospital in March, 2018 for 40 hours
- Participation in the Workshop of Deviant Cults in Religion in 03/12/2009 for 6 hours
- Participation in the National Congress of Regional Research Committees of Western Iran in Lorestan University of Medical Sciences in 04/26/2009
- Participation in the Workshop of Clinical Education Procedures in 04/29/2008 to 04/30/2008 in Lorestan University of Medical Sciences (code: 27111) for 5 hours
- Delivering a lecture and presenting an article in the Workshop of Mechanical Ventilation from 05/26/2010 to 05/27/2010 for 10 hours in the amphitheater hall of School of Allied Medical Sciences and School of Health and Nutrition
- Participation in the Workshop of Knowledge Enhancement on Soft Warfare in Lorestan University of Medical Sciences for 5 hours 07/13/2011

- Participation in the Workshop of Knowledge Enhancement on Islamic Rules for Medicine in Lorestan University of Medical Sciences for 4 hours in 07/13/2011
- Delivering a lecture in the Workshop of Tuberculosis (the first session, code: 3301047) for 5 hours in Lorestan University of medical Sciences in 12/21/2007 (3 scores)
- Delivering a lecture in the Workshop of Tuberculosis (the second session, code: 3301042) for 5 hours in Lorestan University of medical Sciences in 12/22/2007 (3 scores)
- Delivering a lecture in the Workshop of Emergencies in 11/29/2007 for in Lorestan University of Medical Sciences for 5 hours (5 scores)
- Delivering a lecture in the Workshop of Continuous Medical Education for General Practitioners in Lorestan University of Medical Education in 12/10/2003
- Delivering a lecture in the Workshop of Continuous Medical Education for General Practitioners in Lorestan University of Medical Education in from 03/06/2004 to 03/10/2004
- Delivering a lecture in the Workshop of Internal Medicine (6) in 05/16/2009 for 6 hours (3 points) in Lorestan University of Medical Sciences
- Delivering a lecture in the Workshop of Internal Medicine (5) in 05/16/2009 for 6 hours (3 points) in Lorestan University of Medical Sciences
- Serving as the scientific secretary of Tuberculosis Project (I) (code: 3301047) for 15 hours in 12/21/2007
- Serving as the scientific secretary of Internal Medicine Project (9) (code: 3301023) for 15 hours in 02/01/2008
- Serving as the scientific secretary of Internal Medicine Project (5) (code 39301019) for 15 hours in 09/22/2009
- Serving as the scientific secretary of Internal Medicine Project (6) (code 39301020) for 15 hours in 09/24/2009
- Participating in the Refreshing Workshop in Lorestan University of Medical Sciences from 02/16/1998 to 02/20/1998
- Participating in the Refreshing Workshop in Lorestan University of Medical Sciences from 12/14/1998 to 12/18/1998
- Participating in the Workshop of Tuberculosis Management in the Health Center of Lorestan from 09/05/1994 to 09/08/1994
- Participating in the National Congress on Protection against Tuberculosis in Firoozgar Hospital from 10/22/1994 to 10/24/1994

- Participating in OFIS Workshop in Lorestan University of Medical Sciences in 07/18/2004
- Participating in the Refreshing Workshop of the Diseases of the Digestive System (simultaneous with the Fourteenth Congress of Iranian Internists) from 05/19/2003 to 05/22/2003
- Participating in the Workshop of Educational Planning and Preparation of Lesson Plans in Lorestan University of Medical Sciences from 05/05/2004 to 05/06/2004
- Participating in the Workshop of Pulmonary Arterial Wastes in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital in 08/24/2007
- Participating in the single-day Conference on New Therapeutical Findings for Asthma in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital in 05/08/2008
- Participating in the Workshop of Pulmonary Arterial Wastes in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital in 11/11/2004
- Participating in the single-day Conference on Pneumonia Caused by VAP Ventilator in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital in 07/13/2006
- Participating in the Conference on Pulmonary Diseases, Intensive Care and Tuberculosis in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital from 11/15/2005 to 12/18/2005
- Participating in the Third International Congress on Pulmonary Diseases, Intensive Care and Tuberculosis (with the cooperation of the European Respiratory Society) in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital from 10/15/2007 to 10/18/2007
- Participating in the single-day Conference on Pulmonary Rehabilitation in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital in 01/26/2006
- Participating in the Fifth International Congress on Pulmonary Diseases, Intensive Care and Tuberculosis in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital from 10/15/2011 to 10/18/2011
- Participating in the International Congress on Sleep-Related Breathing Disorders in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital from 02/21/2011 to 02/23/2011
- Participating in the Fourth Congress on Pulmonary Diseases, Intensive Cares and Tuberculosis in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital from 10/13/2009 to 10/16/2009

- Participating in a single-day scientific conference 10/17/1997 in Lorestan University of Medical Sciences
- Participating in the First National Congress of Regional Research Committees of Western Iran as an examiner in the lectures section in Lorestan University of Medical Sciences for four hours from 03/11/2009 to 03/13/2009
- Participating in the Fourteenth Annual Congress of Iranian Internists from 05/19/2003 to 05/22/2003
- Participating in the Seventy-Second Workshop of Research Methodology for 50 hours from 09/23/1999 to 09/29/1999
- Participating in the first session of policy making and determining the research and pedagogical priorities of tuberculosis in the national scale in the Educational, Research and Therapeutical Center of Tuberculosis and Pulmonary Diseases in Masih Daneshvari Hospital in 02/08/2008
- Participating in the Third National Seminar on the Prevention of Medical Errors as a lecturer and a member of the board of directors for 28 hours from 05/20/2009 to 05/21/2009
- Participating in the Conference on H1N1 Influenza for 8 hours in Lorestan University of Medical Sciences in 08/30/2009
- Participating in the single-day Conference with Regard to New Findings of Asthma based on GINA criteria in Lorestan University of Medical Sciences in 06/10/2010
- Delivering a lecture in the Congress on Tuberculosis and Pulmonary Diseases in Shahid Beheshti University of Medical Sciences
- Participating in the International Congress on Tuberculosis in Berlin (Certificate of Continuing Medical Education Credits) in Berlin, Germany
- Participating in the National Congress on the National Project of Controlling and Treating Asthma in Imam Khomeini Hospital
- Serving as the representative of Lorestan University of Medical Sciences in the National Committee of Tuberculosis (the committee met in Masih Daneshvari Hospital in 2017)
- Participating in academic workshops, including Microsoft Office, academic writing, and lesson plan held in Vice-Chancellery for Research and Technology of Lorestan University of Medical Sciences

12. Awards and Honors:

- Receiving a plaque of appreciation for the qualitative and quantitative promotion of continuous education at Lorestan University of Medical Education in 04/17/2010
- Receiving a plaque of appreciation from the Vice-Chancellery for Education of Lorestan University of Medical Sciences as an exemplary professor at Lorestan University of Medical Sciences in the academic year 2016-2017
-

13. Reviewer of National and International Scientific Journals:

Serving as a reviewer for Yafteh Journal, published by Lorestan University of Medical Sciences, to review the following articles:

- A Comparison of the Effects of Two Diets (Omeprazole and Placebo, Omeprazole with Vitamins) on the Prevention of Reflux Recurrence in Patients Referring to the Digestive Diseases Clinic of Imam Khomeini Hospital in 2005
- The Pressure Support Ventilation for Patients with Acute Respiratory Distress Syndrome (ARDS)
- Evaluation of Theophylline Clearance in Asthmatic or COPD Patients Admitted to the Emergency Ward of Afzalipour Hospital, Kerman

Serving as a reviewer for Tanaffos Journal, published by Masih Daneshvari Hospital, to review the following articles:

- Depression Level in Patients with Persistent Asthma
- Primary Tuberculous Abscess of the Parotid Gland: A Case Report
- Reversed Circadian Temperature Rhythm in Disseminated Tuberculosis
- Determination of the Cut-Off Value of Pleural Fluid CA-125 in Patients with Pleural Effusion to Identify the Underlying Causes (TB or Malignancy)
